

**PRODUCT  
FEATURES &  
BENEFITS**

- Heavy duty belt design made from heat resistant fiber to increase belt durability and life.
- Pretreated to prevent elongation, thus reducing machine downtime. (No re-sewing due to stretching!)
- Special woven construction to improve belt tracking and prevent shedding.
- Reinforced edges to prevent unraveling.
- Belts are available in any length based on customer requirements for 1S, 2S and 3S machines.

**SPECIFICATIONS**

AVAILABLE WIDTHS:	
3 Inch	76 mm
7 Inch	178 mm
8-1/4 Inch	210 mm
9-3/4 Inch	248 mm
11-1/2 Inch	292 mm

**OPTIONS**

Our Counter Band belts are available in two types of heat resistant materials to meet customer requirements.

**Standard Material:** Used for processing most carpet yarns in lower heat applications.

**HP Material:** Special material designed for processing yarns at higher temperatures, such as polyester.
