TRAVELERS**

**AB  
CARTER  
INC.**

INNOVATION SINCE 1922

This traveler features a special finish with built-in lubricating properties that allow overall **performance** improvements in any spinning process, including high speed and compact spinning processes.

The **CRUZER** traveler was developed to optimize the spinning process by increasing the service life of both the traveler and ring while maintaining consistent yarn quality.

EXTENDED TRAVELER LIFE  
REDUCTION IN TRAVELER LOADING  
EXCELLENT GLIDING PROPERTIES  
CONSISTENT YARN QUALITY  
FASTER RUN-IN OF THE TRAVELER  
LOWER YARN BREAKS  
BETTER PRICE / PERFORMANCE RATIO

**CRUZER** travelers are particularly recommended for cotton spinning applications but can be used on all fiber types and are suitable for the entire range of yarn counts.
